<sup>1</sup>Effective July 1, 2019, the threshold for the families with very low-income priority group is 50% of the federal poverty guidelines, as updated periodically in the Federal Register by the U.S. Department of Health and Human Services. The federal poverty guidelines in this chart are effective for CAPS as of March 1, 2020. This threshold is established by CAPS and is subject to change.

<sup>2</sup>The threshold for initial eligibility is 50% of the state median income (SMI). SMI is updated by the federal government prior to the beginning of each federal fiscal year (October 1). The SMI data in this chart is effective October 1, 2020. This threshold is established by CAPS and is subject to change.

<sup>3</sup>The threshold for ongoing eligibility is 85% of the state median income (SMI). SMI is updated by the federal government prior to the beginning of each federal fiscal year (October 1). The SMI data in this chart is effective October 1, 2020. This threshold is established by CAPS within federal guidelines and is subject to change.
